Positions: **Director of Gastroenterology**
Beth Israel Medical Center, Kings Highway Division

Gastroenterology Attending
Maimonides Medical Center

Skills: Advanced Endoscopy, ERCP, Endoscopic Ultrasound
Hepatology, Biliary and Pancreatic disease

Education: MD - 5/99, Saint George's University School of Medicine
BS - 5/92, New York University College of Arts and Science

Postdoctoral Training:

Chief Fellow Gastroenterology Division, Maimonides Medical Center,
Brooklyn, New York, 2005-2006.
Clinical Fellow Gastroenterology Division, Maimonides Medical Center,
Brooklyn, New York, 2003-2005.
Chief Resident Department of Medicine, Maimonides Medical Center, Brooklyn,
New York, 2002-2003
Resident Physician Maimonides Medical Center, Department of Medicine
Internal Medicine Resident, 1999-2002.

Prior Employment:

10/92-12/94 Columbia Presbyterian Medical Center, New York, New York
Research/Surgical Assistant
Cardiovascular Transplantation Laboratory
Research Assistant, Microbiology Laboratory
06/91- 4/92 New York University, New York, New York
Laboratory Assistant, Neuroendocrinology Laboratory

Honors:

2005-2006	<i>ACG Senior Fellow Award</i> , ACG
2005-2006	Chief Fellow Gastroenterology, Maimonides Medical Center
2004-2005	<i>Ninth Annual Young Investigators Award</i> , ASGE
2003-2004	<i>Presidential Award</i> , ACG
2002-2003	Chief Medical Resident Maimonides Medical Center
1999-2000	<i>Resident of the Year</i> Maimonides Medical Center
1999-2001	Graduate Medical Education Committee Maimonides Med Ctr
1999-2001	Executive Committee Group Maimonides Medical Center
1999-2001	Resident Advisory Committee Maimonides Medical Center
1992-2001	American Medical School Association.
1992-1993	<i>Dean's List</i> New York University
1992-1993	<i>Merit Award</i> New York Univ. Undergrad Research Conference

Publications / Abstracts:

Drug Induced Pancreatitis. A Meta Analysis and Literature Review.

Badalov N, Baradarian R, Iswara K, Li J, Steinberg W, Tenner S. Clinical Gastroenterology and Hepatology. Clinical Gastroenterology and Hepatology Vol. 5, No.6, June 2007.

Early Feeding in Mild Acute Pancreatitis: A Randomized Prospective Trial.

Badalov N, Mehta Z, Shah T, Desari T, Li j, Baradarian R, Tenner S. AGA 2006.

Initial Intravenous Hydration in Acute Pancreatitis Contributing to Unchanged Mortality 1994 and 2004

Baradarian R, Shah T, Li J, Tenner S. Maimonides Medical Center, Department of Gastroenterology. American College of Gastroenterology 2005.

The Importance of Endoscopic Ultrasound (EUS) in the Routine Evaluation of Metastatic Adenocarcinoma of Unknown Primary.

Baradarian R, Shah T, Li J, Tenner S. Maimonides Medical Center, Department of Gastroenterology. American College of Gastroenterology 2005.

Successful Identification and drainage of Giant Hepatic Echinococcal Cyst By Endoscopic Ultrasound

Baradarian R, Tenner S, Khan G, Li J. Maimonides Medical Center, Department of Gastroenterology. American College of Gastroenterology 2005.

Delayed Small Bowel Obstruction After Abdominal Trauma : Location May Be Related to the Spine.

Tangorra M, Baradarian R, Iswara K, Li J, Tenner S. Maimonides Medical Center, Department of Gastroenterology. American College of Gastroenterology 2005.

Rifaximin as a Steroid-Sparing Medication in the Management of Patients with Inflammatory Bowel Disease.

Sublingual Hematoma, an Unusual Complication of Heparin Anticoagulation

Rangarajan C., Baradarian R., Dachunha T., Ciufu L., Edessery B.
Western Journal of Medicine, November, 1998.

Microsurgery in a Rat Lung Transplant Model: Analysis of Benefit

Yano O.J., Kim E.S., Baradarian R., Smith T.J., Smith C.R., Chiu D.T. Columbia
Presbyterian Medical Center, New York, New York. Microsurgery 17(1), 25-29.

Blood Flow Through Trans myocardial Laser Channels

Kohmoto T., Fisher P., Gu A., Baradarian R., Zhu S., Spotnitz H.M., Smith C.R.,
Burkhoff D. Columbia Presbyterian Medical Center, New York, New York
Annals of Thoracic Surgery 61(3), 861-8.

**Right Ventricular Performance and Pulmonary Arterial Coupling Improve
Following Lung Transplantation in Pulmonary Hypertension.**

Yano O.J., Dickstein M., Burkhoff D., Baradarian R., Kohmoto T., Derose J., Spotnitz
H.M., Smith C.R. Columbia Presbyterian Medical Center, New York, New York
Surgical Forum 1995; 66:249-251.

**Long Term Histologic and Hemodynamic Results of Lung Transplant for
Pulmonary Hypertension.**

Yano O.J., DeRose J.J., Kohmoto T., Baradarian R., Burkhoff D., Spotnitz H.M., Smith
C.R. Annals of Thoracic Surgery, 1995.

**Right Ventricular Pressure-Volume Relationships in Rats During Pulmonary
Hypertension.**

Yano O.J., Burkhoff D., Chai D., Baradarian R., Dickstein M., Spotnitz H.M., Smith C.J
Columbia Presbyterian Medical Center, New York, New York
Society of Thoracic Surgeons 10/94.

New Methods in Assessing Right Ventricular Contractile State in the Rat Model

Yano O.J., Burkhoff D., Chai D., Baradarian R., Smith C.R. Columbia Presbyterian
Medical Center, New York, New York Society of Thoracic Surgeons 10/94

**Single Lung Transplant Improves Right Ventricular Function in Pulmonary
Hypertensive Rats**

Yano O.J., Burkhoff D., Baradarian R., Dickstein M., Spotnitz H.M., Smith C.R.
Columbia Presbyterian Medical Center, New York, New York
Surgical Forum 45,283-86.

**Pulmonary Impedance and Right Ventricular- Vascular Coupling in Chronic
Pulmonary Hypertension and Lung Transplant in the Rat.**

Yano O.J., Burkhoff D., Baradarian R., Dickstein M., Spotnitz H.M., Smith C.R.
Columbia Presbyterian Medical Center, New York, New York Surgical Forum 11/93.

Intravascular Placement of Silver Sulfadiazine-Chlorahexidine Impregnated Catheter in Swine.

Greenfield I., Sampath L., Baradarian R., Stylianos S., Modak S. Columbia Presbyterian Medical Center, New York, New York. 33rd Interscience Conference on Antimicrobial Agents. 5/93.

Sex Steroids and Castration Effects on the Regenerating EDL Muscle After Peroneal Nerve Crush.
