

SUSAN RAMDHANEY, M.D.

Brooklyn Gastroenterology and Endoscopy, PLLC
2211 Emmons Avenue
Brooklyn, NY 11235
Phone: 718-368-2960 Fax: 718-368-2249
Email: DrRamdhaney@BrooklynGI.com

Current Position

Gastroenterology Attending: Voluntary
Brookdale University Hospital and Medical Center, Brooklyn, NY
Kingsbrook Jewish Medical Center , Brooklyn, NY
Maimonides Medical Center, Brooklyn, NY
Beth Israel Medical Center, Kings Highway, Brooklyn, NY
Private Practice

Graduate Medical Education:

Clinical Fellow, Gastroenterology Division, Department of Internal Medicine,
State University New York (SUNY) Downstate Medical Center, Brooklyn, NY-
July 2005 - June 2008

Resident Physician, Department of Internal Medicine
Maimonides Medical Center, Brooklyn, N.Y. July 2002- June 2005

Education:

Doctor of Medicine, June 2001, St. George's University School of Medicine, Grenada W.I.,
September 1997- June 2001

Bachelor of Science, Biochemistry, McGill University, Montreal, Quebec, Canada,
September 1993- June 1997

Advanced Level GCE: Mathematics, Chemistry, Physics. Naparima College San Fernando, Trinidad W.I.
September 1991- August 1993

Ordinary Level GCE: 9 subjects. St. Joseph's Convent San Fernando, Trinidad.
September 1986- August 1991

Work Experience:

Research Coordinator, Department of Gastroenterology
Maimonides Medical Center, Brooklyn, New York. July 2001-June 2002 .
Supervisor Dr. Scott Tenner.

Research Associate , Department of Neuroimaging .
Montreal Neurological Institute and Hospital, Canada. May- August 1997. Supervisor Dr. Paul
Cumming. Investigating the expression of ornithine decarboxylase (ODC) gene during fetal hypoxia of
neonatal mouse brain via in situ hybridization.

Research Associate, Department of Neuromuscular Biochemistry

Montreal Neurological Institute, Canada, May-August 1995, June-Oct 1996 (Supervisor: Dr. P Holland).
Investigating the role of cell adhesion molecules, OB Cadherin and Disintegrin, during muscle development particularly in Muscular Dystrophy. Techniques acquired: RNA extraction, PCR, gel extraction, cloning and vector preparation, protein expression and purification, Western blotting, immunoprecipitation.

Licensure and Certification:

American Board of Internal Medicine – Internal Medicine, August 2005- December 2015
State Licensure New York: November 2006
ECFMG Certification – June 2001

Honors and Awards:

American Gastroenterology Association Annual Meeting
National, Presented in San Francisco, March 2002 (1 Podium)
National, Presented in Orlando, May 2003 (3 Posters)
National, Presented in Los Angeles, May 2006 (1 Poster)

American College of Gastroenterology Annual Meeting
National, Presented in Las Vegas, October 2001 (1 Poster)
National, Presented in Seattle, October 2002 (7 Posters)
National, Presented in Las Vegas, October 2006 (3 Posters)
National, Presented in Philadelphia, October 2007 (1 Poster)

American Pancreatic Association Annual Meeting
National, Presented in Chicago, November 2002 (1 Poster)
Travel Award, 2002

Brooklyn Gastroenterology Association, University Rounds
Best Presenter Award, June 2002 (oral presentation)

American College of Physicians-American Board of Internal Medicine- New York Chapter
Finalist Downstate 2003 Associates Poster Competition

American College of Physicians Research/Clinical Vignette Competitions
Regional, Cases Presented in New Orleans, March 2004 (1 Poster)
Regional, Cases Presented in NYC, March 2002 (2 Posters)

St. George's University School of Medicine, Grenada, W.I.
International Peace Scholarship 1997-2001

National Society of Black Engineers, McGill University, Canada
Certificate of Academic Achievement, 1995
Named to Honor Roll, 1996

McGill University, Montreal, Canada.
Awarded Hugh Brock Entrance Scholarship, September 1993
Awarded Bursary, Sept 1993

Naparima College, Trinidad W.I.

Awarded Graduation Prize for Advanced Level Mathematics, June 1993

National Constitutional Rights Competition of Trinidad and Tobago.

Awarded 1st Prize Essay Writing Competition, Oct 1992

Finalist in National Debating Competition on the Constitution, Nov 1992

Panelist for National Television on Race Relations, Oct 1992

St. Joseph's Convent, San Fernando, Trinidad W.I.

Graduated with Honors

Regional Finalist for National Mathematics Olympiad Competition

Journal Publications:

Baradarian R, Ramdhane S, Chapalamadugu R, Skoczylas L, Wang K, Remus K, Rivilis S, Mayer I, Iswara K, Tenner S.

Early Intensive Resuscitation of Patients with Upper Gastrointestinal Bleeding Decreases Mortality.

The American Journal of Gastroenterology 2004; Vol 99; 619-622.

Podium and Poster Presentations/ Published Abstracts

1. CMV Colitis in Immunocompetent Patients: A report of 2 cases and a review of the Literature: Ramdhane S, Hinedi T, Vlody J, Lapin S, Huh C, Jose RM, Iswara K, Tenner S.
American College of Gastroenterology Poster Session, Las Vegas NV, Oct 2001 (Poster)
2. High Early Mortality and low satisfaction With the Placement of Percutaneous Endoscopic Gastrostomy (PEG) tubes.
Ramdhane S., Lapin S, Burns J, Iswara K, Mayer I, Tenner S.
Digestive Disease Week. American Gastroenterology Association Topic Forum on Growth, Development and Aging, San Francisco CA, May 2002 (Podium)
Maimonides Medical Center Research Day. Brooklyn NY, May 1st 2002 (Podium)
New York Chapter of American College of Physicians-American Society of Internal Medicine
Finalist Downstate 2003 Associates Poster Competition
3. Duodenal Sarcoma Masquerading as Adenocarcinoma of the Pancreas
Trillo J, Ramdhane S; Iswara K; Tenner S
American College of Physicians Regional Poster Competition. New York City, March 2002
American College of Gastroenterology Poster Session, Seattle WA. October 2002
4. MALT Lymphoma (Mucosal Associated Lymphoid Tumor) as a precursor to gastric amyloidosis: A case report and review of the literature.
Huh C; Ramdhane S; Choy A; Omoto D; Gage G; Iswara K; Tenner S
American College of Physicians Regional Poster Competition, New York City, March 2002
5. Volume Expansion in the Prevention of Severe Post-ERCP Pancreatitis
Ramdhane S, Lapin S, Vlody J, Iswara K, Mayer I, Albert J, Tenner S.
American College of Gastroenterology Poster Session, Seattle DC, Oct 2002
American Pancreatic Association Poster Session, Chicago IL, Nov 2002

6. Factors Leading to High Early Mortality and Low Satisfaction with the Placement of Percutaneous Endoscopic Gastrostomy (PEG) Tubes.
Ramdhane S, Lapin S, Burns J, Iswara K, Mayer I, Tenner S.
American College of Gastroenterology Poster Session, Seattle DC, October 2002.
7. Does Emotional Stress Cause Peptic Ulcer Disease?: A Study at a New York City Community Hospital Pre and Post September 11th 2001.
Ramdhane S, Tache J, Pattani S, Chapalamadugu R, Patel Y, Yedlapalli V, Iswara K, Tenner S.
American College of Gastroenterology Poster Session, Seattle DC, October 2002.
8. Expandable Metal Stent for the Treatment of Enterocutaneous Fistula: A Novel Approach
Ramdhane S, Potluru P, Lapin S, Huh C, Trillo J, Horowitz J, Tenner S, Iswara K.
American College of Gastroenterology Poster Session, Seattle DC, October 2002
9. Conservative vs Early Surgery in the Management of Large Pseudocysts Complicating Acute Pancreatitis: A Meta-Analysis.
Baradarian R, Ramdhane S, Tangorra M, Tenner S
American College of Gastroenterology Poster Session, Seattle DC, October 2002
10. PEGylated Interferon Alpha 2B Induces Less Thyroid Dysfunction Than Standard Interferon Alpha 2B in the Treatment of Chronic Hepatitis C.
Patel Y, Chapalamadugu R, Ramdhane S, Baradarian R, Iswara K, Tenner S.
American College of Gastroenterology Poster Session, Seattle DC, October 2002
11. Limitations in the Utilization of Telomerase and K-Ras Immunohistochemistry in the Diagnosis of Pancreatic Masses.
Chapalamadugu R, Tangorra M, Potluru P, Ramdhane S, Iswara K, Minkowitz G, Kalter R, Boykin A, Gandras E, Tenner S.
Digestive Disease Week. American Gastroenterology Association Poster Session, Orlando FA May 2003.
12. Early Intensive Resuscitation of Patients with Upper Gastrointestinal Bleeding Decreases Mortality.
Baradarian R, Ramdhane S, Chapalamadugu R, Skoczylas L, Wang K, Remus K, Rivilis S, Mayer I, Iswara K, Tenner S.
Digestive Disease Week. American Gastroenterology Association Poster Session, Orlando FA May 2003.
9th Annual Young Investigator's Award American Society of Gastroendoscopy, 2004
American College of Physicians- American Board of Internal Medicine National Poster Competition, March 2004.
13. Evaluation and Treatment of Patients with Idiopathic Acute Recurrent Pancreatitis: A Decision Analysis.
Chapalamadugu R, Wasserman C, Baradarian R, Ramdhane S, Potluru P, Tenner S. .
Digestive Disease Week. American Gastroenterology Association Poster Session, Orlando FA May 2003.

14. Esophageal Manometry Findings in Patients with Gastroesophageal Reflux Disease (GERD)- like Symptoms Unresponsive to Proton Pump Inhibitors (PPI's) obtained by 24-hour pH and Motility Recording.
Ramdhane S, Singh M, Boyella V, Kancharla VP, Zhang Y, Levendoglu H.
Digestive Disease Week. American Gastroenterology Association Poster Session, Los Angeles, CA. May 2006.
15. 24 Hr Esophageal Manometry and pH Recording Results with Symptom Correlation in Patients with Gastroesophageal Reflux (GERD) Resistant to Proton Pump Inhibitor (PPI) Therapy.
Ramdhane S, Singh M, Boyella V, Kancharla VP, Zhang Y, Levendoglu H.
American College of Gastroenterology Poster Session, Las Vegas, NV. October 2006
16. Plasma Exchange as Treatment of Hypertriglyceridemia-Induced Pancreatitis.
Ramdhane S, Le C, Odidi A, Levendoglu H.
American College of Gastroenterology Poster Session, Las Vegas, NV. October 2006
17. Esophageal Intramural Pseudodiverticulosis in a Patient with Dysphagia.
Singh M, Ramdhane S, Simko V, Fruchter G, Aytaman A.
American College of Gastroenterology Poster Session, Las Vegas, NV. October 2006
18. Massive Upper GI Bleed Secondary to Splenic Artery Pseudoaneurysm
Ramdhane S, Malhotra A, Reka S, Herskowitz M, Gress F
American College of Gastroenterology Poster Session, Philadelphia, PA. October 2007

Unpublished Studies:

- 1 Ramdhane S, Potluru P, Chapalamadugu R, Tenner S.
Recombinant Human Interleukin-10 in the Prevention of Post-ERCP Pancreatitis

Voluntary/ Appointed/ Elected Positions:

Member of Residents Executive Committee

Maimonides Medical Center, Brooklyn NY, 2002 -2004

Secretary & Treasurer, International Students Association

St. George's University School of Medicine, Grenada, 1998
